

# Product Data Sheet

## Silicon Oil

Viscous oil based on silicone reaching the most inaccessible places. It possesses high insulating properties, prevents from electrical discharges and effectively protects against moisture. It eliminates eddy-current generation and corona discharges; compatible with most of materials.

**Designed for:**

- ◆ prevents from electrical discharges
- ◆ effectively protects against moisture

**Package:**

Capacity	Package	Symbol
50 ml (oiler)	20	AGT-014
100 ml (oiler)	20	AGT-015
300 ml (aerosol)	40	AGT-016
1000 ml (bottle)	18	AGT-100
